

Memo from the Board to Nebraska Real Property Appraisers

September 8, 2014

2015 CREDENTIAL RENEWAL INFORMATION

It is that time of year again; real property appraiser credential renewals are fast approaching. The Board would like to provide Nebraska credential holders information concerning the 2015 credential renewal process.

- The completed renewal application, **all continuing education documentation (if applicable based on continuing education cycle)**, and fingerprint cards or equivalent electronic fingerprint submissions (if previously notified by registered mail), must be mailed to the Board's office prior to November 30, 2014. The entire two-year continuing education period must be satisfactorily completed prior to renewing a credential for a two-year period.
- If all required information is not received at the Board's office by November 30, 2014, a credential holder will have until July 1, 2015 to meet the requirements. A late renewal fee of \$25 will be assessed for each month or portion of a month the credential is not renewed.
- All applications received after November 30, 2014 will go before the Board for review. If an application is incomplete, or the required continuing education documentation is missing, the application will be returned to the credential holder.
- The 2015-16 renewal application will not be mailed to each credential holder. A postcard notification will be mailed out this month, which will include the directions for renewing a credential.
- Effective January 1, 2015, all Trainee Real Property Appraisers are required to submit continuing education every two years instead of every four years. No adjustments will be made for those on a four year cycle ending on December 31, 2015 or December 31, 2016. However, if a Trainee Real Property Appraiser's four year cycle ends on December 31, 2017 or December 31, 2018, his or her continuing education cycle will be changed to a cycle beginning January 1, 2015 and ending December 31, 2016.

- Once an application is received at the Board's office and is processed by board staff, a postcard will be mailed indicating that the credential holder has met the requirements for renewal of his or her real property appraiser credential. This postcard will direct the credential holder to print a copy of his or her pocket card through Appraiser Login (see picture above).
- If the requirements for renewal of a credential have not been met, the application will be returned to the credential holder, or the credential holder will receive a letter from the Board outlining any deficiencies and explaining the next step. On the unplanned chance the criminal history record check has not been returned to the Board's office by the State Patrol prior to December 31st, the Board may renew a credential subject to receipt of this record check. All other requirements for renewal must have been met prior to the November 30th deadline for this contingent approval.
